

USTA has introduced a new digital platform, Serve Tennis, to replace TennisLink. Alongside this new platform, USTA made changes to the tournament structure for Adults. Sanctioned tournaments will only include 3.0-5.0 singles and 3.0-5.0 gendered doubles events moving forward.

To address the issue of no longer being able to offer mixed doubles and 2.5 in the Banana Open, which is a sanctioned tournament, we have created the Luck of the Irish Fast4 Mixed Doubles event. We will offer more non-sanctioned Fast4 events this year to allow our 2.5 and mixed doubles players an opportunity to compete.

The Luck of the Irish will be held on Wednesday, March 17th. There will be three rounds of play, first round will begin at 6:00pm, second at 7:00pm and third at 8:00pm. Register [here](#) with the link and come play tennis and celebrate St. Patrick's Day with a cold brew!

The Adult Banana Open will begin on Thursday, April 22nd through Sunday, April 25th. Weekday matches will start at 6:00pm and weekend matches will start at 9:00am. [Registration is now open](#). Serve Tennis is still working through issues, and at this time it will not allow you to designate your doubles partner when registering. Please email partner information to the Tournament Director, Linda Gordon at linda@corta.org. Identify your entry level of play in the subject line. Register now and go bananas!
